

National Church Residences

# Chaplaincy Services

*SPIRITUAL CARE, GROUNDED  
IN SHARED HUMANITY*

At National Church Residences, chaplaincy began as a natural extension of our founding mission — a Christian commitment to serve seniors.

As time passed, the scope of our mission expanded. Chaplaincy was no longer just about offering traditional religious support.

It became about providing a form of spiritual care that transcended faith boundaries, focusing on the shared human experience.

Diverse Network of Chaplains

Transcending Faith Boundaries

Inclusive Care

## WHAT DO WE DO?

**Diverse Services:** Full-time and volunteer chaplains serving across 140+ communities.

**Compassionate Listening:** Being present during key moments.

**Spiritual Guidance:** Hosting services and discussions.

**Community Building:** Fostering relationships and belonging.

**Celebration of Life:** Recognizing individual contributions and journeys.
